Minister's Reflection

When distracted we miss things. We don't place our full attention where we know it to be. Often we think of distractions in negative terms, and what we miss. Distracted, we often create little and unfortunately some big troubles for ourselves.

What has been creating distraction for you? Sometimes when we need to really pay attention, we tune out our distractions. We are so intentional it is as if we have laser focus on our need to be fully focused on a task, like driving in traffic, navigating new spaces, preparing for something that we place high value on.

When we have a new thing that needs our focus, we might also turn these words around that the thing we are so focused on is our distraction. When we are struck by a God moment, something spellbinding, like being overcome with the beauty of God's creation.

The beauty of God is always with us. If we must be distracted, let it be the focused kind that draws us closer to what is needing our attention.

If we are dealing with the negative kinds of distractions that is interfering, find ways to refocus, to be filled with hope and embrace possibilities.

The Season of Lent gives us opportunities for reflection. study and prayer. May we take the time and opportunity to join our study group and prayer group during this season .

God's limitless love holds us close always. We might keep missing experiences, signs, examples

showing the love of God there with us. Yet, they are always there. It allows that our own love and experiences can keep growing.

Be surprised by the awe and wonder of God.

A Bible Verse Proverbs 3:5 The Message

"Listen for God's voice in everything you do, everywhere you go; he's the one who will keep you on track."

A Prayer

God of joy, put joy in our hearts as we live love's way. Help us appreciate the little things today as we walk gently on this good earth and stay ever sensitive to the impact we have on all creation, In Jesus' name we pray. Amen.

OUR MISSION

To make disciples of all nations, strengthen and love one another, guided by the Holy Spirit.

OUR VISION

To create a church that will provide effective spiritual and physical leadership to enable people in our community to grow in the love of God and in the love of our neighbours

Mission & Service

If you have automatic withdrawals from your bank account to pay your bills, taxes, or mortgage, then you already understand the PAR principle.

Besides being convenient, using PAR for your offering ensures regular monthly givings to help our church's ministry even when you are away. You will be providing our congregation a dependable flow of contributions, which increases our overall financial stability. Why not participate in PAR?

Your regular giving supports the local ministry of our congregation.

Your giving for Mission & Service helps people overcome poverty, helps train new ministers, equips leaders, sends chaplains into communities, and sends mission personnel to serve M&S partners around the world. You give support to Indigenous ministries and remote congregations. In Canada and around the world, your Mission & Service gifts support vibrant and vital ministries for the healing of the world.
